About Traffic Consulting

Founded in 2020, Traffic Consulting (Pty) Ltd is a dynamic, forward-thinking firm committed to helping businesses thrive in today's complex and competitive environment. We specialise in strategic advisory and operational excellence, delivering tailored solutions that address each organisation's distinct needs.

Our expertise spans business strategy, regulatory compliance, organisational development, and change management, ensuring our clients are prepared for change and positioned to lead it.

Driven by a passion for innovation, integrity, and long-term client success, Traffic Consulting (Pty) Ltd is your trusted partner in transformation, growth, and unlocking true business potential.

Our Leadership

Tshepo Matshego

Managing Director

Tshepo Matshego is an accomplished management consultant with a strong academic background and over eight years of hands-on leadership experience. He holds a BCom in Accounting from Pearson, a Postgraduate Diploma in Business Administration from the University of the Witwatersrand, and is currently advancing his expertise through a Master of Business Administration (MBA) at the University of KwaZulu-Natal.

Throughout his career, Tshepo has successfully led and consulted for multiple companies, driving growth, innovation, and operational excellence across various sectors. His combination of strategic insight, financial acumen, and practical experience makes him a trusted advisor and results-driven leader committed to empowering businesses to thrive.

Mission & Vision

Our Vision

To be the catalyst for organisational success in South Africa, enabling businesses to navigate complexity and achieve sustainable growth through innovative and holistic solutions. We strive to empower our clients with the tools, strategies, and expertise needed to thrive in an ever-changing business environment. By encouraging resilience, driving strategic clarity, and cultivating adaptive leadership, we aim to build a future where every organisation we serve is equipped to overcome challenges, seize opportunities, and realise its full potential.

Our Mission

Our mission is to be a trusted partner for organisations navigating challenges and opportunities in today's fast-evolving business landscape. Through our comprehensive suite of services, we aim to deliver actionable insights, encourage collaboration, and build adaptive, future-ready organisations. We are committed to helping our clients achieve their goals with integrity, expertise, and a focus on long-term success.

Our Values

Integrity

We uphold the highest standards of honesty and ethical conduct in everything we do.

Client-Focused

Our clients' success is our priority, and we tailor every solution to meet their unique needs.

Collaboration

We believe in the power of teamwork and partnerships to drive meaningful results.

Adaptability

We embrace change with agility, responding to challenges with flexibility and resilience.

Empowerment

We equip individuals and businesses with the tools and knowledge to thrive independently.

Accountability

We take full responsibility for our actions and deliver on our promises with transparency.

Innovation

We foster a culture of continuous improvement, always seeking smarter and more effective solutions.

Our Services

Business Rescue

Offering expert guidance to help distressed companies navigate financial and operational challenges. Our experienced team develops tailored turnaround strategies to stabilise businesses, protect stakeholder value, and pave the way for sustainable recovery. With a focus on practical solutions and a deep understanding of regulatory frameworks, we provide the support needed to restore confidence and secure the future of your business.

Risk & Compliance

We provide comprehensive risk and compliance solutions to help businesses navigate regulatory complexities and mitigate potential threats. Our experts work closely with clients to identify vulnerabilities, implement robust frameworks, and ensure adherence to industry standards and legal requirements. By integrating proactive risk management strategies, we empower organisations to safeguard their operations, enhance governance, and maintain trust with stakeholders.

Training & Development

Development Traffic Consulting (Pty) Ltd offers comprehensive training & development solutions designed to empower your workforce and drive organisational success. Our tailored programs focus on enhancing skills, ensuring leadership, and promoting a culture of continuous learning. By addressing specific business needs and aligning development initiatives with strategic goals, we help organisations unlock potential, improve performance, and adapt to evolving challenges.

Our Services

Registration & Taxation

Consulting simplifies the process of company registration and ensures seamless tax compliance for businesses of all sizes. Our expert team offers tailored solutions, from guiding you through the registration process to managing ongoing tax obligations. With flexible individual options and comprehensive packages, we provide the support you need to stay compliant and focus on growing your business.

Strategic Planning

We help businesses define clear goals and actionable roadmaps for long-term success. Our team collaborates with clients to analyse market dynamics, identify growth opportunities, and align resources with organisational objectives. By crafting tailored strategies, we empower businesses to navigate challenges, capitalise on strengths, and achieve sustainable growth.

Organisational Design & Planning

Development Traffic Consulting (Pty) Ltd offers comprehensive training & development solutions designed to empower your workforce and drive organisational success. Our tailored programs focus on enhancing skills, ensuring leadership, and promoting a culture of continuous learning. By addressing specific business needs and aligning development initiatives with strategic goals, we help organisations unlock potential, improve performance, and adapt to evolving challenges.

Our Services

Facilitation & Mediation

Providing expert guidance to resolve conflicts and ensure collaboration within organisations. Our experienced team facilitates open dialogue, ensuring all voices are heard and aligned with business objectives. By addressing disputes constructively and building consensus, we help organisations strengthen relationships, improve decision-making, and create a harmonious working environment.

Organisation Change Management

We help businesses navigate transitions with confidence and clarity. Our expert team designs and implements tailored strategies to ensure smooth adoption of new processes, technologies, and structures. By engaging stakeholders, addressing resistance, and fostering a culture of adaptability, we minimise disruption and maximise the success of change initiatives.

Business Continuity Management Processes

Development Traffic Consulting (Pty) Ltd offers comprehensive training & development solutions designed to empower your workforce and drive organisational success. Our tailored programs focus on enhancing skills, ensuring leadership, and promoting a culture of continuous learning. By addressing specific business needs and aligning development initiatives with strategic goals, we help organisations unlock potential, improve performance, and adapt to evolving challenges.
